

# Super 3 IN 1 Dog Repeller

Thank you for purchasing the Super 3 IN 1 Dog Repeller. The Super 3 IN 1 Dog Repeller is a handheld ultrasonic emitting device to keep away from dogs, cats, and wildlife. It is a humane way instead of sprays and other methods to avoid dog bites. The high frequency sound heard by dogs and cats is harmless and barely perceptible by humans. You can even use it to protect your property from strangers with the powerful alarm sound. In addition, the front LED light will give you a trouble-free operation at night.
